

Intensive TEFL Course

Our University standard 120 hour in class teacher training course is geared to prepare you to teach in Thai schools and around the world upon completion. Our modern training facilities and teaching practice in real schools allows you to build your confidence as a teacher through reinforced observation by our experienced instructors. Over 4500 Entrust TEFL graduates currently working worldwide as English teachers.

- Internationally accredited TEFL course
- In country orientation
- 120 hour in class instruction
- Job placement / guaranteed
- Thai bank account and SIM card
- Teachers pack
- Three days practice at real schools
- Ongoing lifetime customer support

Please note: that accommodation, trips, excursions and other items may differ in the Krabi training location.

Premium TEFL Program

Our Premium Program is the same University standard 120 hour in class teacher training course with unrivaled extras to make your life a bit easier and allow you to stick to a budget. Rather than finding your own accommodation, we include resort accommodation during your course with a daily western buffet breakfast, free Wifi, and other amenities. We also include popular excursions and trips for you to enjoy your free time away from the classroom.

- Internationally accredited TEFL course
- In country orientation
- 120 hour in class instruction
- Resort accommodation
