FREQUENTLY — ASKED QUESTIONS —

WHY THAILAND?

We have to smile when we get asked this question, because we know from experience that once you get here, you won't be able to imagine not taking a TEFL course in Thailand! Thailand is a gateway to Asia – the perfect mixture of modern, western comforts and authentic, cultural experiences. Importantly, Thailand is full of opportunities for English teachers. Jobs are abundant and the cost of living is low, giving you the opportunity to travel and explore, or use your savings as you see fit. And, Thailand offers you unimaginable diversity, divine cuisine and friendly locals.

WHERE CAN I WORK WITH AN ENTRUST TEFL CERTIFICATE?

An Entrust TEFL certificate allows you to teach English as a foreign language practically anywhere in the world! If you want to teach English in Thailand, you'll be happy to know that we are recognized by the Ministry of Labor. While all countries have their own set of rules, regulations and requirements concerning the employment of foreign labor, we are recognized in many countries around the globe. This is helped by our professional associations. Entrust TEFL is an institutional member of IATEFL (International Association of Teaching English as a Foreign Language), and we are validated externally by leading experts in the field of ESL. This external validation keeps our TEFL course material and requirements on par with international standards. That said, we do recommend that if you know where you'd ultimately like to teach, that you do your homework about that country's employment requirements. Some countries may require an additional or higher qualification (like a degree), along with your Entrust TEFL Certificate. They may also have age and ethnicity requirements in order to legally employ you. We currently have Entrust TEFL course graduates working in Thailand, Dubai, Hungry, Spain, Saudi Arabia, China, South Korea and the Ukraine.

DO I NEED TO HAVE TEACHING EXPERIENCE TO TEACH IN THAILAND?

No, you do not need to have previous teaching experience, but a definite interest in this field goes without saying. Through our TEFL program, you'll receive hands-on training through our 120-hour course, be immersed in the Thai culture while being supported by our staff, and see your confidence grow through teaching observation and practice at real schools.

You don't need to speak a word of Thai to teach English in Thailand. If you do have teaching experience or certification; a degree in Education, English, Math or Science; and other transferable skills – then we encourage you to apply as well. These are sought after by Thai schools.

CAN I TEACH IN A CITY OF MY CHOICE?

The final hiring decision is made by your prospective employer and their individual needs and requirements, not Entrust TEFL. You'll be able to decide whether to accept a job position or not, based on the openings available balanced with your preferred teaching location. TEFL graduates will tell you that flexibility is key to having an enjoyable experience. That said, early applications have a better chance of getting their preferred location, but keep in mind that we can't guarantee that we'll be able to honor your request. Of course, if you are the adventurous sort, you are more than welcome to use your TEFL qualification to find your own employment in the city of your choice.

WHAT IF I ONLY WANT TO TEACH FOR A SHORT TIME?

Most schools or recruiting agencies will, on average, ask you to sign a four-month contract. Most TEFL course graduates work as teachers for at least a year. Many stay in Thailand for much longer, some choosing only to work on a short-term basis at a school or language school during peak periods.

HOW SOON SHOULD I EXPECT TO BE PLACED?

You should expect to be getting job offers within your first week of class. Once your CVs/resumes are handed in to our recruitment division, they start contacting employers on your behalf. We provide you with an information sheet on each teaching opportunity so that you can make an informed decision about the school where you'd like to teach.

HOW DO I GET A THAI BANK ACCOUNT?

Entrust TEFL will provide you with a sponsorship letter and will go with you to open your bank account. With our company sponsorship documents and your passport in hand, your account will be opened in just a few minutes. A Thai bank account is wonderfully convenient, because it enables you to wire funds directly from your home country, while providing the ease of online banking and the convenience of a debit card. Gone are traveller's cheques and the cost of exchanging currency every other day. And, your VISA ATM/debit card will work worldwide.

HELP OUT IN THAILAND

At Entrust TEFL, we help you take steps to make your dreams concrete. If you're fascinated by other cultures, have a streak of wanderlust in your soul, want to make a difference along the way or need the practical experience that will count towards your teaching degree back home, then we heartily recommend a stint as a volunteer after you've completed your Entrust TEFL course.

VOLUNTEER .

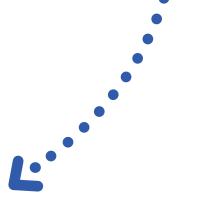

WHY VOLUNTEER?

In many of Thailand's schools, the real gaps aren't so much in grammar but in fluency. Most Thai children aren't exposed to English-speaking environments, and even less so with a Westerner. This places you in a unique position to shape children's perceptions of English and other cultures, and shows them a world beyond their classroom. And, if you need additional teaching practice to put towards your teaching degree back home, then this is a fantastic way to earn those hours.

CONTENTS

VOLUNTEER

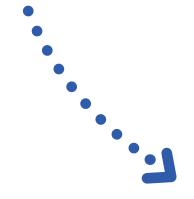

A CAREFULLY SELECTED PARTNER

After many years in Thailand, we've carefully selected a local organisation that specialises in volunteer programs within the educational arena – Future Advance Foundation. It is our belief that partnering with an indigenous organisation yields the best results. Local organisations, like Future Advance, care about the quality and efficacy of their volunteer program because they care about the quality of education that their nation's children receive. Such partnerships encourage local sustainability and plough back into Thai society and the Thai economy. We believe respect and trust are built when we truly come alongside a local entity to help them accomplish their vision, rather than imposing our ideas or assuming we know best.

VOLUNTEER

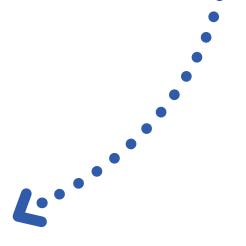

HOW DOES IT ALL WORK?

Future Advance specialises in placing TEFL teachers in predominantly rural areas, anywhere from 3 months to a year, as determined by the volunteer's availability. Sometimes Future Advance also organises shorter volunteer stints at an elephant camp, where you can sign up for a variety of tasks. Some schools are able to pay at least 25,000 baht a month, while other schools are only able to provide free room and board. You need to be over 18 years old, and fluent in both written and spoken English. If you hold a degree, or you're a teacher with a teaching degree, you'll be snapped right up – but it's not a requirement to have a degree.

CONTENTS 🕎

VOLUNTEER

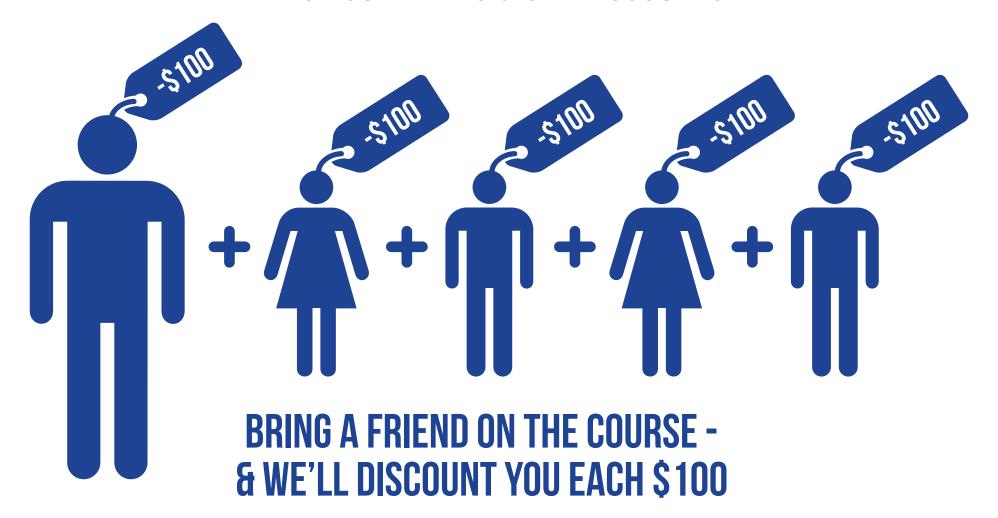

HOW MUCH DO WE CHARGE?

Unlike many other organisations, Future Advance doesn't charge its volunteers anything. Whether or not you will earn a salary while you are volunteering depends solely on the particular school's contribution capacity.
